

# Your Leadership Difference

## A Community of Aspiring Leaders Taking the Next Step in Leading Together

Take Our Free Tour:

<http://archofleadership.goingon.pro/>

This unique online program concentrates on the stories, values and aspirations that make your leadership powerful, effective and unique. Your online leader learning experience is based on the proprietary Arch of Leadership™ curriculum, recently adapted by Boston Architectural College as a required course in its Distance Learning Masters Degree Program. You will join with peers to explore leadership topics and assess and develop your own leadership.

Understand the values, beliefs and experiences that have shaped your life and how they shape your leadership. Learn what makes Leaders different from Managers and how followers are different from employees. Learn the skills of character essential for great leading. See how your life stories connect you to others.

### Features

- A personal leadership assessment.
- Live group webinars.
- Personal confidential mentor guidance and communication.
- Private one-on-one teleconference with your online mentor.
- Peer and group sharing as you explore and develop your leadership.
- Small classes to ensure individual attention.
- A Leader Bibliography and Reference Guide.
- A Lifelong Learning Guide.

### Who Should Attend

This program is designed for leaders and aspiring leaders at all levels of the organization who are preparing for their next level of leadership. New and mid-level Managers will gain new insight on how to inspire peak level performance throughout the organization every day.

### Be the Leader you were meant to be

with professional Leader Mentoring, an experience unlike any executive development, or business coaching program offered anywhere else with programs delivered in your office or online.

## Corporations and Organizations

Your Leadership Difference is ideal for corporations, professional organizations and other groups with a national or global membership. Deliver a unique and powerful leadership learning experience to your organization in a private learning community dedicated to your group. Each enrollee will receive mentor guidance as well as participate in peer discussions and group forums. Group webinars and individual teleconferences enhance and reinforce learning. Your enrollees will receive individual material packets and work at their own pace at hours of their choosing to complete the curriculum. Classes are six months in duration and can be scheduled to start according to your needs. You can opt to add onsite group meetings or create a custom learning community, branded with your logos, mottos and slogans. Pricing varies depending on options selected. Please contact us for more information.

## What to Expect

You will participate in a four month mentor-guided online community of leadership learners that includes:

- **Assignments:** Assignments due on weekly basis; reading, and community sharing will be moderated by and discussed with a Certified Arch of Leadership Mentor.
- **Mentor Support:** Scheduled group intensive discussions and a personal review session with a professional Arch of Leadership™ mentor.
- **Peer Sharing:** Assigned Peer Advisor for in-depth conversation and feedback. Opportunity to act as a peer advisor to another member of your online learning community.
- **Group Discussions** Frequent and guided group discussions on important and current leader topics via online Discussion Boards, blogging and micro-blogging.

Learn in the convenience and privacy of your own home or office.

**BE THE LEADER YOU WERE  
MEANT TO BE!**
